***HIWASSEE***

*We've only just begun . . .*

*... to live*

*a new home . . . a new life . . .  
a welcoming bonfire . . .  
testing headaches . . .  
meeting the faculty and registration!*

*lines . . . lines . . . lines . . .  
always someone last . . .*

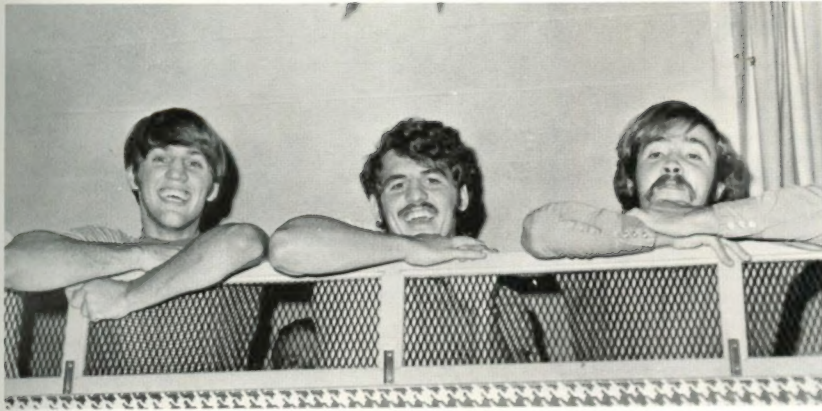

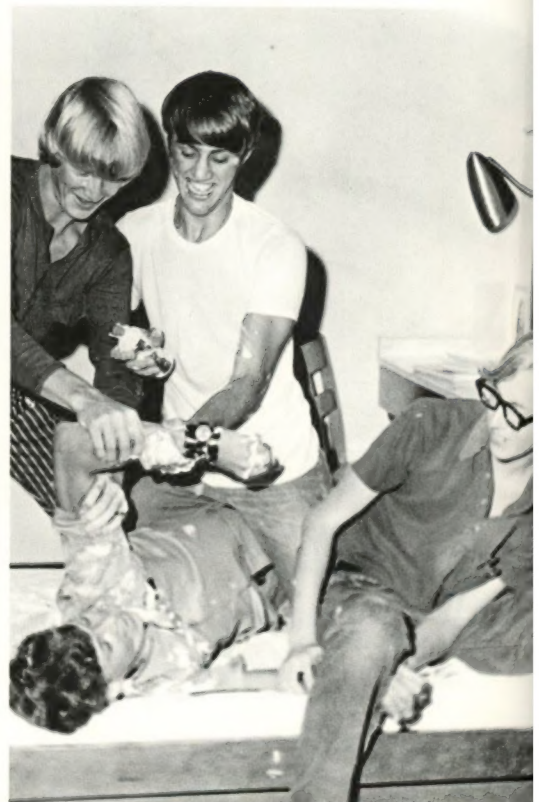

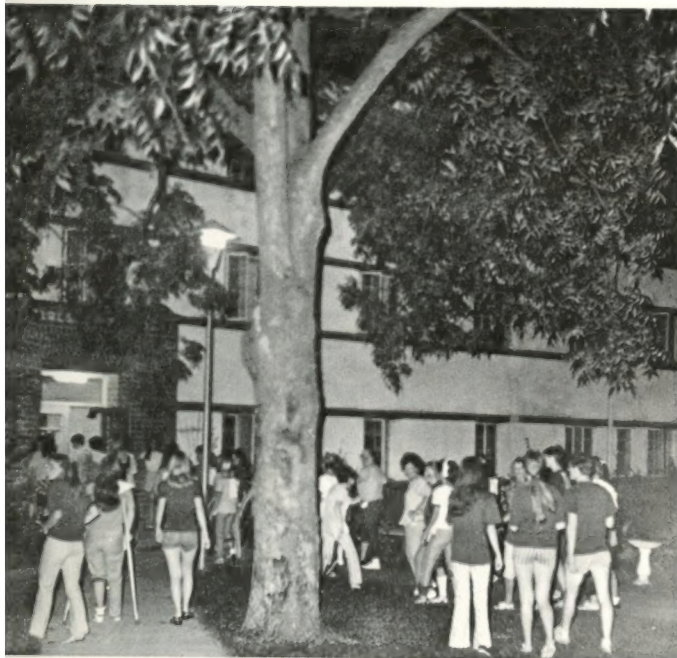

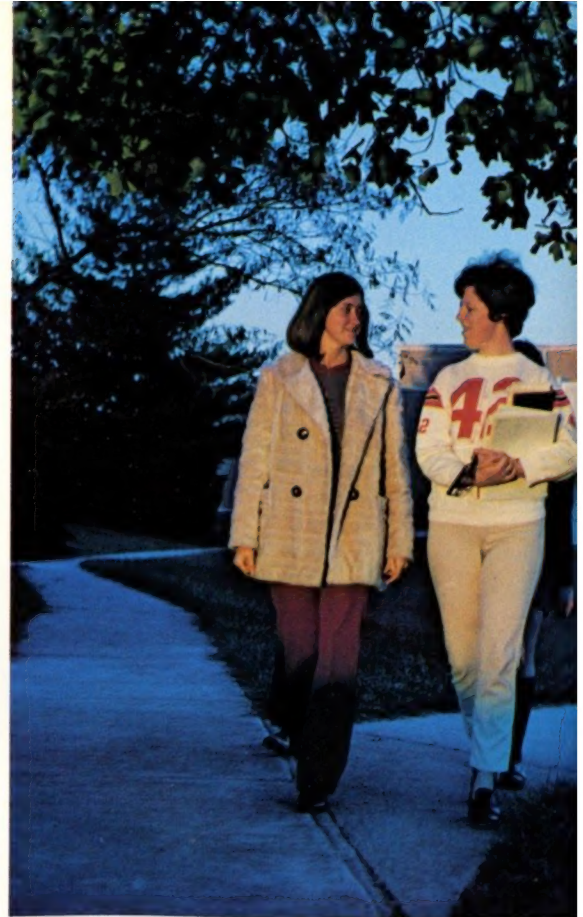

## *... Sharing horizons*

*that are new to us ...  
caring and sharing ...  
being an individual and one of the crowd ...*

*... Many, Many good times*

*so much of life ahead . . .  
so much fun to enjoy . . .  
laughter to hear . . .  
people to love . . . and see . . .  
many, many, good times yet to experience . . .*

## *... The harvest days*

*"These are the days . . .  
When restless yearnings bare the soul  
As fall winds bare the trees;  
Till lonely and alone, it stands . . .  
A prey to winter's breeze."*

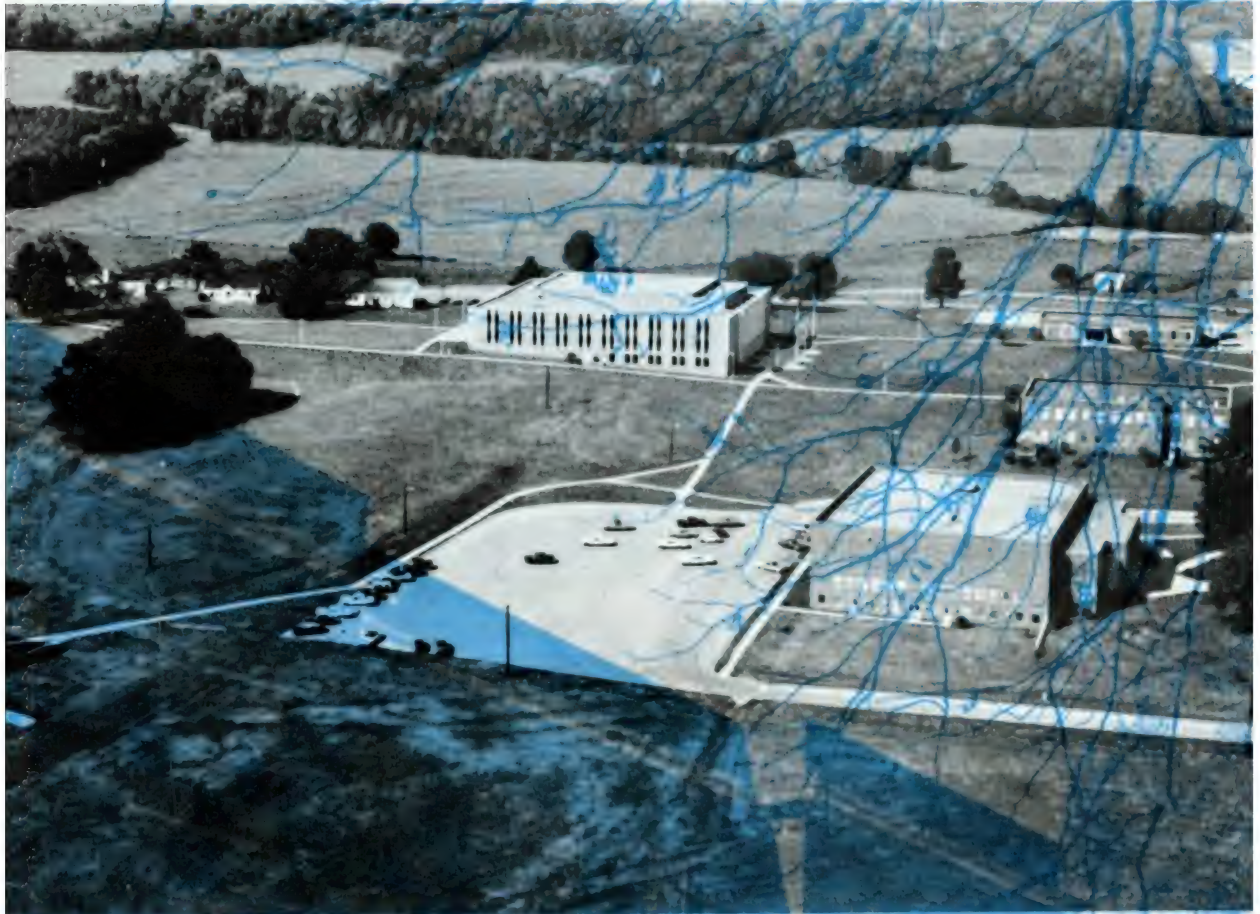

## ... To be

*"It's times like these  
that you come to know  
How much a part of everything  
you are ...  
... how much all things  
are part of you ..."*

*To Build . . .*

*. . . To Dream*

*... and suddenly*

*it was springtime . . .  
spring came last night on tiptoe . . .  
when all the world was still . . .  
bearing a promise of hope . . .*

*"The dreams of yesterday give way to  
The dreams of tomorrow  
For yesterday is gone, and  
Tomorrow lies ahead."*

## *Being a Sophomore*

is . . . being secure, renewing old friendships, making new ones, late nights, cold coffee; most of all, it's one more step.

A black and white photograph of a railroad track stretching into the distance. The tracks are made of wooden ties and metal rails, converging towards a vanishing point. To the left of the tracks, there are several utility poles with cross-arms. The background is filled with a dense layer of clouds, with a bright patch of light breaking through near the top center. The overall mood is contemplative and serene.

Tomorrow

Tomorrow does not stand apart,  
A shining, all new day;  
Tomorrow is a thing slow-built  
Of hours passed away.

It's made of dreams your heart has stored,  
And dreams discarded, too;  
It's made of all the joys and tears  
The years have brought to you.

It's made of lessons you have learned,  
The friends you've known — the foes;  
As each of our Today's is bent,  
So our Tomorrow grows.

It's made of sweat and toil and pain  
And song and love and laughter;  
Each minute of Today helps build  
The day that follows after.

Tomorrow does not spring full-built  
With some new dawn's bright rays —  
Tomorrow is a slow-built thing  
Made up of Yesterdays.
